THE
PENSIONS
ADVISORY SERVICE

Pension scams are on the increase. You may have already been targeted.

The scammers have a variety of tricks to catch you out. They may:

- claim that you can access your pension pot before age 55
- approach you out of the blue over the phone, via text message or in person door-to-door
- entice you with upfront cash
- offer a free 'pension review' or try to lure you in with so-called 'one-off' investment opportunities.

The scammers may even pretend that the Government has asked them to contact you. What they won't tell you is that you'll probably never see your pension pot again. Don't be fooled by their promises.
